SPANISH MINISTER ON HAND TOO.

Them and Took Them Home In Skirts. NEW ROCHELLE, N. Y., July 20 .- Two ime in many years there was a midsum her cabinet meeting in Washington in the

young fellows appeared in this place on bicycles. They crossed the ferry to Glen island and applied for work, saying they were college students from Pennsylvania and wished to pass the summer at the isepartment to talk with Secretary Laont. The latter was absent at the time, and. To all appearances they were good, and he failed to attend the cabinet meethonest young men, with open, frank counng, which was held later, although an They said they were John and Peter ariston, brothers, 20 and 19 years old,

Both were glasses and were of light build. They were of dark complexion and had from the secretary of state, and the pair walked over to the state department and were closeted in the office of Secretary Olney. Here they were joined in the course of half an hour by Secretary Carlisle and Attorney General Harmon, who had been called by telephone into the conference.

**Secretary of state, and the pair to less than \$5, from that price up to \$8. You can have your choice for \$3.75

The balance are just as serviceable and part of this lot are heavy weight. You can take your pick for \$2.75, they are worth from \$3.50 to \$5 of shy, man's money. All sizes. nort, black hair. The citiest one, John, was engaged as a waiter in the cafe. He refused, however, to take the position unless his brother cas engaged also. This was done, and a room was assigned to them over the bath-

ng pavilion.
The Carlston "boys" were not popular with the other employees. They kept too much to themselves, and when invited the day to enter a swimming contest they lectined, saying that they abhorred water xcept to wash in. Moreover, they did not moke, and that was a point against them. The elder Carlston did not make a good valter, and sometimes nearly lost his job, ut he always begged hard for another hance and promised to do better. He was a handsome "boy" and was well liked by the managers.

enances and pleasing manners.

How Papa Discovered Them Yesterday an elderly man occupied a tale alone in the cafe. He was in a hurry, and the head waiter instructed Carlston feet, and was running as fast as he could ly punished. We have plenty of room for in the direction of the aquarium. The all good citizens of all nationalities, but head waiter was profuse in his apologies. "Man!" exclaimed the old gentleman, with a flushed face. "She's no man. She's my daughter Matilda! Where is her sis

The waiter knew of no sister, but did now of a brother, and described him. thished face.

Then they began a search, and "Peter" ad "John" were discovered in their room ocked in each other's arms, sobbing bit-The elderly man explained that he was leary Carlston, and that he lived in Chirago on West Lake street, near Oak park. I am employed in the auditor's department of the Chicago and Northwest-ern railroad," he said. "These are my daughters. The one who has assumed the name of John is Matthda, 20 years old,

They Began With Bloomers. "I lay this to the bicycle craze," he continued. "Both girls insisted on having bicycles, and then got to bloomers. Final-They went there and left Providence on We received several letters from this letter Tillie wrote that they were going to be away all summer and would re-turn to Chicago in the fall. She said they

time. In one portion of her letter she re-"I decided to come on to New York and hunt them up. I arrived in the city on Tuesday, and failing to find them after a two days' search I made up my mind that they had got situations as waiters at a year ago, going on an escapade similar to Glen island in Tillie's letter, I decided to les and learned that two bievele riders good girls, nevertheless, and know how to ake care of themselves. Thank God, no

harm has befallen them. When darkness set in, "John" and "Peer" appeared in dresses, their father having sent for their trunk, which was in w York. He had received the trunk rom Providence on Wednesday. The three eft Glen island on Thursday night and mained in New York city until vester-A full report of the matter was forwardnent to the effect that there was a week's

IRON MOUNTAIN, Mich., July 20 .- Hunreds of people surrounded the shaft of the Pewabic mine when the rescuing party penetrated the fallen rock and reached the mber where nine men had been impris med since 6 o'clock Wednesday afternoon The men were all alive and unhurt, but they looked the worse for their experience, as they had had no drinking water and nothing to cat. They had drilled into the fallen rock from their side 20 feet. RIDER HAGGARD MOBBED.

He Finds Making an Election Tour In Style Is Rather Exciting. LONDON, July 20 .- H. Rider Haggard

the author, who is standing in the Con-servative interest for East Norfolk, has made his election tour in a four horse drag and has been roughy treated, mud and stones being thrown in some cases. Near Ladham one of the party, Miss Hart-cup, had her head cut by a flying missile. At Stalham the party was obliged to take refuge in a hotel, which was besieged. The police were dispatched to the rescue. From North Walsham, Norwich and Yar-

mouth the situation of the party increased nounted police were summoned. The elections, so far as they have been declared, leave the state of parties as fol-

turing towns of New England.

Our Attitude Toward Cuba.

ference In the State Department Without the President-Have the Neutrality

bsence of the president. Secretary of State Olney apparently came to Washington from Falmouth for the express pur-pose, for he left the city again this mornent soon after his arrival at the state

fort was made to summon him by tele-Secretary Herbert next received a visit from the secretary of state, and the pair walked over to the state department and of half an hour by Secretary Carlisle and Attorney General Harmon, who had been

called by telephone into the conference.

This lasted for fully two hours, and from me to time Assistant Secretary Adee,

MINISTER DE LOME.

who has been acting as secretary of state 'That's her, sure," said the man with during the absence of Secretary Olney, was called into the room to advise the cabine as to some point under discussion. Whatever was the subject or subjects considered cannot be learned, and appar ently it was resolved to keep the proceed ings secret, for each of the persons presen as they emerged declined conrecously but positively to answer a single question ouching their deliberations.

All that could be gathered was to the

We offer during this week to reduce our immense stock demeanor of the cabinet officers as they before moving : emerged from the conference that would ndicate that some weighty and important nestions had been under discussion What these may have been can only be surmised without any tangible evidence

of probability. for its settlement that perhaps involved the element of long time, and consequen-9 to 11, for y justified some hesitation before it could e disposed of.
Another idea broached was that there

is an ugly question as to the fulfillmer of our neutrality obligations toward Spain the cabinet officers. Perhaps It Concerns Neutrality. This had some color from the fact that e particular officers gathered at the state partment were just those who would be

harged with the execution of the neu trality laws. The secretary of state would strorney general would look after the en of the treasury, through the collectors of for the ports and coasts, and the secretary blue water was said that the Spanish minister, Senor Dupuy de Lome, had suddenly arrived in

Washington from Massachusetts, but Se retary Olney would not admit that he had that it was this subject of neutrality which engaged the most serious attentiof the cabinet officers. It is known that proceedings of the Cuban sympathizers who have been operating in the United States, and it is believed that the oper York meeting lately, when a convention went through the forms of electing presi dents for Cuba, have given rise to some doubt on the part of our government as to whether this was a proceeding that did not in itself constitute at least in spirit an infraction of that principle of the neutrality laws which forbid the use of the United States as a base of operations against a nation with which the United States is or Minister De Lome Silent.

If this view was taken of the matter b he cabinet meeting, it is likely that it will be manifested through the issue of another presidential proclamation muc more sweeping in its terms than that all ready put forth, warning the residents of this country against any infraction of the neutrality laws, and this in turn may be officers of the government that will summarily check any hostile movements against the Spaniards in Cuba from this Minister de Lome was seen, but refused

ons for his presence here at this time. cabinet meeting was for the purpose of discussing the neutrality feature of the Cu-ban question, and it is believed that some public statement will be made thereto in a few days. American Swindlers In Paris.

PARIS, July 20. -Two Americans name Ving and Dwight have been arrested here on a charge of selling valueless bonds of the Rock Island, Peoria and St. Louis railroad. Wing has been in trouble her before, having been arrested some time since for borrowing money on these bonds which his creditors allege they found to
